THE JOY OF MY WORK COMES FROM DAILY ASSOCIATION WITH YOUNG PEOPLE. YOUTH WITH ITS FREEDOM, ITS OPTIMISM, ITS POWER, ITS CONFIDENCE, AND ITS IDEALISM, CREATES A MOST HAPPY ENVIRONMENT IN WHICH TO LIVE. I AM DEEPLY GRATEFUL TO THE CLASS OF 1934 FOR THE DEDICATION OF YOUR SPLENDID ANNUAL, AND MY INTEREST AND BEST WISHES WILL ACCOMPANY YOU AS YOU LEAVE OUR BELOVED SCHOOL.

The Class of Thirty-Four

The Class of 1934 started its official organization and activities November 23, 1932, with the election of its junior officers. A spirited campaign was carried on for a week preceding the election. The successful candidates were Don Morrison, president; Marynette Hiatt, vice-president; Aline Bailey, secretary; Robert Mueller, treasurer; and Bill Koehne, vaudeville chairman. Helen Taggart, Jane Brown, Mary Alice Shively, and Dorothy Braden were elected as student council representatives.

DON MORRISON

Class President in Junior Year

One of the snappiest and cleverest Junior Vaudevilles was presented by our class, March 25, 1933, in Caleb Mills Hall. Beautiful costumes, smart dance routines, and excellent singing were features of the presentation. "Rhapsody in Blue", coached by Elnore Hopwood and led by Hellen Marie Shea and Mayjewell Long as co-chairmen, was the winning act. Other act chairmen were Virginia Carson and Mary Jeanette Seller, Marjorie Newman, Virginia Wheeler, Marynette Hiatt and Paul Krauss, Morton Davidson, Eugene Roderick, and Aline Bailey and Louise Edwards. Individual honors went to Elnore Hopwood, Mary Eloise Spann, Morton Davidson, and Foster Clippinger.

The custom of honoring those seniors who have had the highest scholastic records during their high school careers was maintained by our junior class. On Honor Day, May 24, 1933, a gold key was presented to Arleen Wilson, and silver loving cups to Lucy Ann Balch, Julian Kiser, and Jeane Workman by Aline Bailey, Marynette Hiatt, Bob Mueller, and Bill Koehne, representatives of the class.

"Le Moulin Rouge", or "The Red Mill", was the name of the dance which so successfully climaxed the juniors' busy year. Martha Moore and Paul Krauss were co-chairmen of this gala affair.

The success which the class enjoyed in all its undertakings was due in no small part, to the able leadership of Mrs. Nell Merrick Thomas and Mr. Enoch Burton, sponsors.

Minutes of the Senior Class

The activities of the Senior Class of nineteen hundred and thirty-four began with the election of officers on November 7. The five senior class officers were chosen from a list of thirty-four aspiring young politicians. Charles Haug defeated Bob Mueller, Willis Blatchley, Ralph Burns, Gordon Messing, Dick Eiler, Henry Nolting, and David Oliver to become the Senior President. Marjory Zechial, Helen Taggart, Dorothy Braden, Mayjewell Long, Carolyn Rehm, and Helen Marie Shea were eliminated by Jane Brown, who won the vice-presidency. Mary Alice Shively triumphed over Madeline Trent, Jane Deranium, Jean VanRiper, Rosalind Barrows, Elnore Hopwood, Harriet Jane Holmes, and Charlotte Cox to become class secretary. "A Ward to the wise" proved sufficient to elect Eugene Ward treasurer over Bill Koehne, John Brandon, Clarence Gault, Eugene Roderick, and Allan Solomon. Charles Huston and Henry Fauvre were defeated by John Ewbank in the race for the Annual Editorship.

CHARLES HAUG
Senior President

At the first meeting, the class of 1934 showed signs of being one of the most original in Shortridge history. At this early meeting, Creath Smiley put in the form of a motion that the literary section of the Annual be eliminated. This astounding motion met with instant approval of a majority of the class, and two weeks later, the motion was overwhelmingly passed on a printed ballot vote.

The big social event of the season, the Senior Christmas Party, was given in the Shortridge gymnasium on Thursday afternoon, December 21. Elnore Hopwood presented a snappy entertainment, and Charles Haug played the piano. Dancing to the tunes of Bob McKittrick's orchestra completed the afternoon's entertainment.

On January 9, it was voted the Dexheimer Studios should do the class photography work. Martha Pearce was chosen chairman of the Senior Play Committee, and was assisted by Ed Belknap, Marjorie Newman, Elenore Firth, Fred Jacobs, Dorothy Martenet, and Stuart Williams. The play, "Officer 666", was selected as the class play, and

was presented in Caleb Mills Hall on May 4. On March 9, it was unanimously voted that the Annual be dedicated to Mr. Rice, the assistant principal. The Senior Commencement Cooperative Committee that worked throughout the year in planning for the graduating exercises consisted of Jack Berns, chairman, and Charles Huston, Jim Birr, Betty Schissell, Henry Fauvre, and Mildred Robinson. A committee to prepare the class colors was chosen. Bill Koehne acted as chairman, and with the assistance of Dora Ann Day, Eugene Ward, Helen Hudgins, and Myrtle Rappold, prepared and distributed the class colors on April 9. These black and silver ribbons were worn by the seniors during the rest of the school year.

On April 25, the election was held for Class Day Officers. Don Morrison defeated Palmer Ward to become Giftorian. Dick Savidge was victorious over Catherine Cauble and Ruth Luckey in the race for Historian. Jane Ferguson, Elenore Firth, Caryl Gaines, and Alvin Cohen were eliminated by Bonnie Jean McKechnie, who was chosen Prophet. Arthur Zinkin lost to Bill Koehne in the competition for Willmaker. As graduation time grew near, plans were completed for Class Day. When the big day arrived on June 5, the Class Day Officers performed their duties; the boys competed with the girls for the most entertaining stunt; and other things combined to make an interesting and lively program that was enjoyed by all.

The senior girls, in a special meeting under the chairmanship of Jane Brown, voted to wear all white and to carry deep red roses at the commencement exercises. The boys, after much heated debate over the relative merits of white linen suits and the white flannels and blue coat combination, decided to leave the choice up to the individual. On Wednesday evening, June 6, the class of nineteen hundred and thirty-four was graduated from Shortridge High School at the commencement exercises at Cadle Tabernacle.

Mary Alice Shively, secretary.

of
Senior
Play***

"Officer 666"

The tireless efforts of over fifty students and the devoted work of Miss Eleanor Dee Theek, results in one of the best Senior plays that has been produced at Shortridge. "Officer 666", by Augustin Mac Hugh, of Douglas Fairbanks fame, was given in Caleb Mills Hall on May 4, 1934, before a large and appreciative audience.

The cast was headed by Henry Fauvre, Betty Blancke, and John Walker, who admirably took the parts of "Travers Gladwin", "Helen Burton", and "Alfred Wilson". Howard Reynolds was splendid as "Officer 666", and his fellow policemen were Alvin Cohen, Herbert Falendar, and Enos Pray. Lawrence Kryter was the jovial "Whitney Barnes", and Jennie Hartling played opposite him in the character of "Sadie Small". Gertrude Osborn as "Mrs. Burton", Tom Garland as "Police Captain Stone", Jim Henderson as "Kearney", Louis Schilling as "Thomas Watkins, and Frank Streightoff as "Bateato", did excellently in minor parts.

All three acts in this melodramatic farce are laid in the magnificent drawing-room of the Gladwin Mansion in New York City. In the first act, Travers Gladwin, the bored young millionaire who is looking for a thrill, returns from a trip abroad in order to investigate a rumor that his former butler, Watkins, is planning to steal some pictures from him. He finds an exceedingly complicated state of affairs, and borrows the uniform of Police Officer 666 in order to capture the crooks himself. Act two takes place in the evening of the same day, and Gladwin, in this uniform, surprises Watkins and Alf Wilson attempting to steal some valuable paintings from the Gladwin house. He however does not wish to expose Wilson to the police because of the scandal in which their mutual sweetheart, Helen Burton, would be involved. A climax is reached in the third act when Wilson decides to go straight. He comes to a "gentleman's understanding" with the young millionaire and thus Gladwin finally gets his "real thrill" and his best girl.

The ushers were: Peggy Paul (captain), Mildred Robinson, Myrtle Rappold, Louise Edwards, Betty Larsh, Phoebe Jacobs, Helen Hudgins, Betty Weier, Mary Frances Spangler, Betty Finch, Jane Deranian, Jean Van Riper, Velma Marndt, Betty Jane Renn, Milicent Coleman, Eleanor Long, Esther Bebinger, June Irish, Mary Jane Dixon, Betty Ann Jones, and Martha Norman. Margaret Stump was in charge of the "coppette" refreshment booth in the lobby.

On January 20, the members enjoyed a delightful picnic supper at Dorothy Martenet's home, after which they went to the unusual exhibition of Indian relics at the home of Eli Lilly, an alumnus of Shortridge. Parties were also given at the homes of Dorothy Braden and Henry Fauvre.

The Honor Society undertook several projects during the year. The members operated a Coca-Cola booth for the benefit all-school party, the November Round-Up. At Christmas time, they supplied two needy families with baskets of food, clothing, and toys. Several pupils aided various Shortridge teachers by tutoring students.

Class Poem

FOUR YEARS AGO WE ENTERED HERE.
FOUR YEARS! IT SEEMS BUT YESTERDAY
THAT FIRST WE WALKED UPON THESE STAIRS,
AND, MUCH BEWILDERED LOST OUR WAY.

FOUR YEARS AGO, HOW NEW IT WAS!
SO MANY ROOMS SO HARD TO FIND,
SO MANY FACES, STRANGE AND COLD:
IN THAT FIRST WEEK FATE SEEMED UNKIND.

AND NOW THE ROOMS HOLD MEMORIES
OF DAYS WE'VE SPENT WITHIN THEIR WALLS,
AND MANY FACES WARMLY SMILE
WITHIN THESE NOW FAMILIAR HALLS.

HOW FULL THE YEARS SPENT HERE HAVE BEEN!
THE TIME, THOUGH SHORT, HAS WROUGHT ITS CHANGE
IN ALL OF US. THE KNOWLEDGE GAINED
HAS MADE THINGS CLEAR THAT ONCE WERE STRANGE.

IN FOUR YEARS SHORTRIDGE HAS GROWN DEAR;
FOR HAPPINESS AND JOY ABOUND
(SO ARE WE LEARNING AS WE GROW)
WHERE BEAUTY, LOVE, AND FRIENDS ARE FOUND!

JUNIOR CLASS OFFICERS

The Class of Thirty-Five

The class of '35 opened their Junior activities with the election of officers in which the students took a decided interest. During the week preceding the election, the office seekers put on an extensive campaign. Throughout the building bulletin boards were covered with posters and many advertising tags were distributed among their classmates. The election was held at the polls in the auditorium December 13, 1933. In the race for President John Westfall was elected on first ballot. Those dropped were Bob Morgan, Gordon Jacobs, Wilbur Hulett, Murray Dulberger, Jack Hayward, and Isaac Steinhoff.

The candidates for Vice-President were Patricia Taggart, Dorothy Barlow, Helen Lee Smith, Mary Hesseldenz, and Lois La Fara. On the second ballot, Helen Lee Smith was selected.

In the contest for secretary, Jean Miller was elected on third ballot. The other candidates were Mary Lou Over, Maude Balke, Martha Morrison, Martha Haltom, Elizabeth Neeves, and Bobby Jeanne Johnson.

Fred Tucker, Bob Hedges, Foster Clippinger, John Nunes and J. P. Worley, were the candidates for Treasurer. Foster Clippinger was elected on the third ballot.

Maurice Kelly, Byron Beasley, Bill Brewer, and Rudy Makela, were candidates for Vaudeville Chairman. Byron Beasley was elected on first ballot.

From the list of candidates for Student Council Representatives Buddy Brown, Mary Anna Butz, Jack Stevenson, and Sally Heilman were elected.

In the other class meetings, the Junior Vaudeville and party were the main topics for discussion.

The Class of '35 has been very successful in all its enterprises, and has in every way lived up to the standard set by former classes.

Jean Miller.

JUNIOR VAUDEVILLE

The Junior Vaudeville of 1934 proved itself a tremendous success before a packed house both at the afternoon and evening performances. The first act swung into action with a snappy "Overture" directed by Richard Robbins.

Billy Steinmetz, a magician, puzzled the audience with a clever sleight-of-hand act during the intermission.

Junior Activities

ABOVE is a picture of the members of the "Winter Interlude" as they appeared in the Junior Vaudeville.

AT THE RIGHT is a group picture of the prize winning act "The Winter Interlude". In the lower right-hand corner on the first row are the co-chairmen of that act, Dorothy Barlow and Virginia Balke.

AT THE SIDE is a picture of Bobbie Jean Johnson, star ballet dancer of the "Winter Interlude" and winner of the girl's individual prize.

BELOW is a picture of Billy Steinmetz, the boy magician, as he pulled a rabbit out of his patented egg cooker.

LOWER LEFT shows the musical skeletons of the Marimba Band as they appeared to frighten and startle a surprised audience at the Junior Vaudeville.

LOWER LEFT pictures the dancing bankers of "Money Moratorium", which was directed by Mary Hinkle and Carolyn Varin.

LOWER RIGHT shows the boys of "Little Women", a burlesque. This act came in second in the voting for the best act.

LOWER RIGHT pictures the Junior Vaudeville Orchestra, directed by Richard Robbins.

"Money Moratorium", with Mary Hinkle and Caroline Varin as chairmen, created an atmosphere of reality with its pecuniary difficulties.

A modern insight on Russia was gained through "Catherine the Great - 1934". The four Marx brothers and Mae West were the main attractions. Julianna McIntosh was chairman.

The winning act, "Winter Interlude" was sponsored by Miss Thelma Armfield, and coached by Elnore Hopwood. It was a delightful winter scene with several charming specialty dances. Barbara Jeanne Johnson, toe dancer, won an individual prize for her performance. Virginia Balke and Dorothy Barlow were chairmen of this production.

The Marimba Band arrayed in skeleton costumes provided entertainment for the intermission.

"Palm Beach Plaza" ably directed by John Sutton, who won an individual prize, proved to be a clever musical review. The chairmen were Alberta Barnes and Olivia Feist.

Ed and Leroy New entertained the audience with jokes, songs, and snappy saxophone playing during the intermission.

"Alice in Wonderland", coached by Harriet McCord, was a clever performance with grotesque figures in the Magic Garden. The chairmen of this production were Pat Taggart and Jean Miller.

"Little Women" was a side-splitting act composed of boys in crepe paper dresses. Bill Brewer and Foster Clippinger had charge of this entertaining act.

"Nursery Nuggets", having as chairmen Betty Soehner and Margaret Wells, was a charming bedtime scene appropriately completing another most successful Junior Vaudeville, sponsored by Mrs. Nell Thomas and Mr. Burton.

A great deal of the success of this stupendous production was due to the leadership of Byron Beasley, Vaudeville Chairman.

Great appreciation on behalf of the class of '35 is due to Buddy Brown, publicity chairman; Norman Brandt, stage manager; and his assistants, Ned Hamer, John Brandon, Carlyle Baker, Ed Belknap, George Vawter, Ray Fatout, Bill Wright, Bill Gaus, Carl Scheidker, Don Dillon, Warren Taylor, Clarence Gault, Robert Bill, Dick Agster, Clarence Warren, Sam Dobrow, Dick Kiger, Merrill Hamilton, Creath Smiley, Don Underwood, and Bob Hoover.

WINTER INTERLUDE

"Winter Interlude", the winning act of the Junior Vaudeville of 1934, was a snappy song and dance hit. The co-chairmen of the super ship-shape production were Virginia Balke and Dorothy Barlow. Elnore Hopwood expertly coached the dancing and the act was capably sponsored by Miss Thelma Armfield of the Gym department.

As the curtain rose, snow was falling lightly on a chorus of boy and girl skaters in white costumes which were accentuated by a black back-drop. In the background was a white picket fence about which were arranged groups of snow-laden fir trees. The chorus of skaters was followed by a peppy musical-comedy tap dance by Betty Quigley and John Brown. Hyla Jane Hadley sang "Winter Interlude", the theme song, beautifully.

This was followed by two snow elves, Nancy Campbell and Amy Lou Jose, in a diminutive number which attracted attention to a large, sparkling snow-ball in the background. From this snow-ball, a gorgeous ballet dancer, Barbara Jeanne Johnson, garbed in a lovely costume of white and silver, gracefully performed a toe-dance in the falling snow. Elnore Hopwood put over a difficult tap routine with a bang. The act concluded with a chorus of girls in flashy red and white ski costumes.

BOYS' SPORTS

EDWARD BROWN, Editor

During his third year of coaching football at Shortridge, Coach Robert L. Nipper turned out a team which made a high bid for the city high school championship, losing only three games throughout the season. The 1933 team was a fighting aggregation which demonstrated in every game a high type of sportsmanship, and a spirit of cooperation and determination to fight hard until the crack of the final gun.

In the initial contest of the season, the Blue Devils met defeat at the hands of the Jefferson of Lafayette team, 6-0. After this early season loss the team hit its stride, and conquered the powerful Cathedral team on October 6 by the score of 21-12. George MacLucas, full-back, was instrumental in pushing the Shortridge attack and was personally responsible for all but two of his team's points. Later in the game Westfall and Abbett placed the ball in scoring position, and MacLucas again carried the pigskin over the goal.

In their first city series contest of the season, the Blue Devils battled to a 7-7 tie with Manual. Although Shortridge held the advantage during most of the fracas, the Redskins managed to push over a touchdown in the final period, and gain an even break with the blue and white team. Abbett was responsible for the Shortridge touchdown, with Atkinson kicking the extra point.

Coach Nipper's men journeyed to Middletown, Ohio, on October 21 and were defeated, 27-0. The Middletown team was a more experienced team which held the upper hand during most of the contest, but nevertheless, the Blue and White eleven gained experienced which was valuable to them in the latter part of the season.

In their second city series contest, the Blue gridmen defeated Washington, 7-0. Atkinson scored the touchdown and successfully kicked the extra point. The following week, on November 3, Coach Nipper's proteges played to a scoreless tie with the Crawfordsville high school eleven. Although the teams played on practically even terms throughout the contest, Shortridge made an attempt to score a field goal from the 20-yard line, but the kick was wide. The Shortridge team resumed its city series competition by overcoming the Broad Ripple eleven, 13-0.

In the final game of the season, the Nippermen lost to the Technical team, 13-0. The Tech victory threw the city series fight into a three-way tie, with Shortridge, Tech, and Washington tied for first place. The game was played at Perry Stadium before a large crowd, which turned out to witness the traditional battle between the city's foremost high school football squads. The final standing of the city series in 1933 was as follows:

	Won	Lost	Tied	Pct.
Shortridge	2	1	1	.667
Technical	2	1	0	.667
Washington	2	1	0	.667
Manual	1	2	1	.333
Broad Ripple	0	2	0	.000

At the close of the season major letters were awarded to Abbett, Atkinson, Baldwin, J. Brown, Callendar, Capt. Faris, Fuller, Gant, Gatto, Hamilton, Hoatson, Johnson, MacLucas, Pack, Perdew, Stewart, and Westfall. Several of the members of last year's team are sophomores and juniors who will be back to bolster up the team next year. Ben Callender was elected captain for 1934.

—Edward Brown.

Varsity Basketball

Notwithstanding the fact that the Shortridge basketball team of 1933-34 was handicapped by an exceedingly hard schedule and a lack of seasoned players, Coach Kenneth Peterman produced a very excellent team which won fourteen games in twenty starts.

The Blue and White netters opened the season with victories over Greenfield and Alexandria. The following week-end, Peterman's boys gained another pair of victories, winning from Greencastle and Marion. Their first defeat came on December 30, when Tim Campbell's Technical team defeated them 28-23. The Tech Team was barely able to repulse a late rally which brought the Blue Devils within a few points of victory.

Starting out the new year with the added service of Jim Birr, the Shortridge five trounced Lebanon 36-5, allowing their opponents only a single field goal throughout the contest. The next evening, Southport defeated the red-clad Blue Devils by a single point, 24-23. Technical defeated Shortridge in the first round of the city series play. The victor's accuracy from the foul line provided the margin of victory, as Shortridge made more field goals than the Eastsiders.

After a defeat by Shelbyville, victories were gained over Crawfordsville, Manual, and Delphi. Shortridge was eliminated from sectional play in the semi-finals by the strong Technical five that later survived the regional competition. The Green and White battled through to the final game of the state tourney to meet defeat at the hands of Logansport.

Nine Shortridge boys were awarded the major "S" for participation in basketball. They were William Merrill, James Birr, John Sutton, John Hobson, William Kitzmiller, Robert Bryant, George Kolb, Jack Stevenson, and Captain Jack Berns.

Reserve Basketball

The reserve team of Coach Keesling had a successful season and produced several good net-snipers who will be valuable next year. The regulars on the reserve squad were Brennan, McDaniels, Dawson, Brown, Callender, Mueller, Westfall, and Cromer. Pack received a broken wrist during an early game, but showed up well in spite of this handicap. Other members of the reserve team were Englehart, VanMeter, Schollenberger, Williams, Garrett, Bartley, Swartz, and Fassenfeldt.

Coach Don R. Knight was faced with a squad of youthful, inexperienced runners at the start of the 1934 season, but the team rounded into shape and showed up well in the latter part of the season.

Eric Wadleigh, Bob Bryant, and Dean Hoatson were the only regulars left from the previous season. Wadleigh ran in the 220 and 440-yard dashes, and Hoatson in the mile run. Bryant, captain of the squad, also competed in the dashes. Jack Brown, and Bruce Atkinson, members of last year's football eleven, and Jimmy Simmons, a promising sophomore, bolstered up the team, Brown competing in the broad and high jumps, and Simmons and Atkinson in the dashes.

The Blue and White trackmen lost the opening meet of the season to Jefferson of Lafayette and Delphi, with Jefferson garnering 67 points to win. In a meet with the Culver Military Academy, the Blue Devils were defeated, although they won three firsts. The Cadets gained their margin of victory in the field events.

The Knightmen placed third in the first annual City Track Meet, which was won by Technical, with Washington placing second. Donald Piel, Shortridge high-jumper, tied for first in his event, and both Brown and Wadleigh placed in the broad jump. Bill Pack, a member of the 1933 football squad and the reserve basketball team, was handicapped by injuries, but is expected to see a great deal of action next year.

Only four members of the Blue Devil track team of 1934 are seniors, and Coach Knight expects an improved team to develop from the underclassmen who were on this year's squad.

Track Team

Robert L. Nipper, youthful football mentor, was graduated from Butler University in 1926 and came to Shortridge in 1931 as football coach.

Mr. Nipper believes that last year's team was the best he has coached at Shortridge, although it was also one of the smallest. The Blue and White grid warriors of 1933 were not quite so large as the general run of pig-skin toters, but under the direction of Coach Nipper they developed into a fast and scrappy eleven.

F. L. Rouch, coach of the reserve football team, coached at Warsaw, Indiana, at Freeport, and at Springfield, Illinois, before coming to Shortridge in 1918. At Warsaw and Springfield he coached baseball teams as well as football.

During his pre-coaching days, Mr. Rouch played independent football. His own experiences and his many contacts with high school players have given him an expert insight into the game. In his estimation, a good football player must be a quick thinker, a close observer, and capable of quick, instantaneous action.

Mr. Rouch believes that George (Bud) Underwood, athletic star of a few years ago, is the greatest athlete to attend Shortridge in the sixteen years he has been at Shortridge.

Kenneth Peterman, varsity basketball coach, has completed his fourth year of coaching at Shortridge, with two of his teams having gone to the final round of the state basketball tournament at Butler. He previously coached at Franklin High School and at Wiley of Terre Haute. He was at Franklin in 1925-6, and his team that year reached the "Big Sixteen" at the field-house. Following that, he was at Wiley four years, from whence he came to Shortridge.

Mr. Peterman attended Franklin College, and was a member of the basketball team at the time the "Wonder Five" Played. In the years he has coached basketball, he believes James Seward and Norman Cotton are the greatest athletes he has trained.

Claude M. Keesling, coach of the reserve basketball squad, attended Franklin College and Indiana University, and came to Shortridge in 1930. For the last few years, he has worked in collaboration with Mr. Peterman to produce the best teams Shortridge has ever had. Under Mr. Keesling's tutelage, the boys are taught the fundamentals of the game and groomed for competition on the varsity in their later high-school years. Several of the members of Mr. Keesling's team of last year are sophomores with two years of varsity competition ahead of them.

Don. R. Knight, coach of the Shortridge track team, came to Shortridge in 1926, after coaching at high schools in Chicago, Cadiz, Ind., and Larwell, Indiana.

Mr. Knight attended Chicago University, and Indiana, and Illinois universities. While in college, he participated in track, basketball, and baseball. His teams at Shortridge have been successful every year, if not in the number of meets won, at least in teaching the boys a high type of sportsmanship. Mr. Knight believes that Herman Ziegner is the most versatile athlete he has coached at Shortridge. Ziegner graduated in 1933. Edward Blumel and George Underwood are also outstanding athletes whom Mr. Knight has coached.

Howard T. Wood, tennis coach, has been at Shortridge since 1929. He previously coached basketball and tennis teams at Harrisburg, Illinois, and Kingman, Indiana. He attended Wiley High School at Terre Haute, where he was outstanding in basketball. Mr. Wood was graduated from State Normal College, where he first took an interest in tennis. Since coming to Shortridge, he has lost only two high school matches. This record is not often achieved over a period of five years.

Mr. Wood is also tennis instructor at Culver Military Academy and director of the annual National Junior and Boys' Tennis Tournaments.

Lt. George A. Naylor, golf coach, came to Shortridge in 1921, after several years in the U. S. Army. He is a retired first lieutenant.

Lt. Naylor became coach of the golf team after Mr. Emmett A. Rice, now assistant principal, had coached it several years. Tournaments have been held annually at Shortridge since 1920, and team matches have been played since 1928. Shortridge boys under the direction of Lt. Naylor have placed high in the Indianapolis Times School Boys' Tournament.

Besides coaching golf Lt. Naylor is freshmen coach of football and basketball, and a physical education instructor at Shortridge.

Russell S. Julius came to Shortridge in 1920, and coached football, basketball, and baseball for three years. Before coming to Shortridge, he taught physical education at Springfield, Illnos.

Mr. Julius was on the football team at Indiana University. He played three years, and was captain one year. He also participated in baseball. At present he is a physical education instructor at Shortridge and treasurer of The Indiana High School Coaches' Association. At the basketball tournaments he is the man who pulls the trigger of the gun which spells victory for one team and defeat for another. He is the director of all athletics at Shortridge.

Helen Lee is a member of the indoor and outdoor relay teams which hold the district records. She placed second in the National indoor championships in the 300 yard medley. She was fourth in the back stroke and fifth in the 220 yard free style.

Helen Lee broke the world's record for the 300 yard individual medley held by Eleanor Holm over the 60 ft. course. Her record has since been broken but will probably stand for a long time as the district record. She also holds the 60 ft. district record for the 220 yard free style.

Helen Lee has held practically every Woman's Championship record in the district since she started swimming five years ago. She is also a very good diver and has beaten some of the best divers in the country.

LETTERWOMEN

Sweaters are awarded to girls for outstanding achievements in Girls' Athletics. Instead of making these awards for participation in some one sport, a system has been devised by which a girl may win a sweater for all-round development. Mrs. Steichman originated the efficient index system. Points are given for participating in each of the athletic activities. Winners of the Tennis Tournament and the Posture Contest are also awarded points for their victories. Whenever a girl wins five hundred of these points she is awarded an athletic numeral. If a girl earns one thousand athletic points, she is awarded a sweater. Some of the girls who have received this high award are Caryl Gaines, Helen Lee Smith, Betty Schissell, Marjorie Zechial, Mauvis Johnson, Mary Alice Shively, Martha Morrison, Helen Marie Shea, and Carleen Becker.

The following girls have received 500 athletic points and will be awarded numerals: Mary Morrison, Carol Gaines, Lola Lennox, Rosalind Cook, Mauvis Johnson, Eleta Frances Roll, Ruth Waltermire, Eleanor Cook, Jean Benham, Ruth Mooney, Betty Clemons, Edith Cory, and Eileen Curtis.

EFFICIENCY CONTEST

Mrs. Kate Steichman announced the ratings for the girls ranking highest in this year's gym efficiency contest. From the advanced class there was Marjory Call, 100 points; Eva Marie Rupert, 98 points. From the gym II class was Bobby Tirsway, 100 points; Eleanor Cook, 99 points; Elle Steffy, 98 points. From the freshman class there was Amy Jose, 100 points; Virginia Little, 99 points; Frances Carlson, 98 points. These points will be added to those which the girls have already earned toward a sweater.

TENNIS

A tennis tournament is run off in the fall and spring. There has been a great amount of competition displayed in most of the matches, and a lack of enthusiasm has never prevailed.

The semi-final matches last fall were between Mary Anna Butz and Janet Meditch; Dorothy Schilling and Marjorie Zechiel. The final match was played off by Mary Anna Butz and Dorothy Schilling, with Mary Anna Butz taking the title for the third successive tournament. Mary Anna was awarded an emblem in the shape of a tennis racket, and also received 100 points toward her Shortridge Sweater.

POSTURE CONTEST

Five girls won the 1933 Shortridge Posture contest. They were Mary Alice Shively, Anna Marie Smith, Betty Mae Smith, Mary Morrison, and Doris VanHorn. One hundred and thirty-five girls entered the contest. The judges were Mrs. Kate Steichman, Miss Thelma Armfield, and Miss Kathryn Thompson of the Girls' Athletic Department and Miss Long of the Art Department.

MRS. KATE STEICHMAN is head of the Girls' Athletic Department. She is responsible for the efficient athletic index on which athletic organization of the girls is founded. Mrs. Steichmann sponsored "Palm Beach Plaza" in the Junior Vaudeville. She has charge of Hemingway and Volleyball, Efficiency, Foot, and Posture Contests.

MISS THELMA ARMFIELD has sponsored the winning acts of the Junior Vaudeville for two years. She has charge of Hockey, Basketball, Baseball, and The Philateron. She is Captain of Scout Troop 45. Miss Armfield also sponsored part of last year's Class Day Activities.

MISS KATHRYN THOMPSON was sponsor of the act "Queen Catherine" in the Junior Vaudeville. She took charge of the fall and spring tennis tournaments and is a member of the committee of Extra Curricular Activities of the Freshmen Council. She also sponsored the Boys' Dancing in Class Day activities, Volleyball and Freshmen Basketball.

Tri-State Debaters

Coming through an eminently successful season, the Tri-State Debating Teams, ably coached by Mr. C. C. Shoemaker, were able to win both of the scheduled Tri-State Debates to clinch the five-year cup for Shortridge in the final year competition between Shortridge, Louisville Male High School of Louisville, and Walnut Hills High School of Cincinnati.

Selected competitively in the latter part of December, the two teams consisted of: Robert H. Marks, captain; Gordon M. Messing, H. Foster Clippinger, Joe Hoskins, alternate—representing the affirmative home team; William Koehne, captain, David Falendar, Gordon Jacobs, Carter Thorp, alternate, composing the negative which encountered Cincinnati there.

This year's question for debate was that "The United States should adopt the essential features of the British system of radio control and operation." The splendid showing this year is due in no small part to the hard work, speaking ability, and debating experience of the boys themselves. Koehne, Messing, and Marks are seniors; Jacobs, Falendar, and Clippinger, juniors. Mr. Shoemaker and the debating teams are indeed to be congratulated for the heart-warming results of this most satisfactory season.

Gordon Messing.

As the Annual goes to press, the two Girls' Debating Teams are striving hard to keep up the good record established by the Boys' Teams at the Tri-state Debate. On Friday, May 11, the girls will have a dual debate with Wiley of Terre Haute. The negative team, composed of Eleanor Firth, captain, Marjorie Newman, Mary Roland, and Rosemary Gladden, alternate, will entertain Wiley here. The affirmative team: Jean Knowlton, captain, Aline Bailey, Mary Hinkle, and Evelyn DeWees, alternate, will go to Terre Haute. "Resolved: That the United States should adopt the essential features of the British plan of radio control and operation" is the question to be debated. Mr. C. C. Shoemaker of the English department is coach.

Orchestra

Musical Activities

The various organizations in the Shortridge High School Music Department have presented many worthwhile and commendable programs this year. Several units had the fine opportunity of presenting programs to outside audiences.

The Shortridge Orchestra, directed by Will F. Wise, presented a concert to the student body of Crispus Attucks High School, another at the semi-annual Shortridge Parent-Teachers supper-meeting, a concert at the city-wide Parent-Teachers Association held at Shortridge, March 13, besides three fine auditorium programs for the student body. Twice Ferdinand Schaeffer, conductor of the Indianapolis Symphony, honored the Shortridge Orchestra by conducting our school organization in rehearsals. The orchestra was also fortunate in receiving three complimentary tickets to each concert presented by the Symphony Orchestra.

The Concert Band, conducted by R. J. Shultz, has played for four auditorium concerts and two pep sessions. The marching band, consisting of the entire "A" band and some pieces of the "B" band, played at all home football and basketball games. The "B" band gave concerts in school, and at several of the churches in the city. On March 21, the marching band participated in the opening day baseball parade. After the parade, they were awarded a silver cup for being the best of the eight bands entered.

The choir, directed by Mrs. Laura Moag, presented programs at the Matinee Musicale and for various church entertainments. About one-third of the members sing every Sunday in church service, and a few members of the Shortridge Choir are singing on the radio. The Glee Club, under the sponsorship of Mr. Will F. Wise, sang for Educational Week programs, sang at the English Theater the week before Easter, presented a program for the Parent-Teachers of Irvington, and sang for the Freshman Auditorium.

*Shortridge
Student Council*

The Shortridge Student Council, sponsored by Lt. George Naylor, has taken an active part in school affairs during the past two semesters. The Council, organized for the purpose of linking the faculty and the student body, consists of fourteen members.

The Council, having originated the plan, is responsible for the reservation of tables in the lunch room. In co-operation with the Parent-Teacher Association, the members sold tickets to the "November Round Up". "Pamahasika's Pets" was a show that the Council sponsored. The daily Club Calendar in the Echo is the work of the Publicity department, and various committees have aided different faculty committees in their "Freshman Guidance Work". Members visited Washington and Technical High Schools. Pep sessions and song fests in the auditorium have also been sponsored by the Student Council among its other various activities.

Creath Smiley, Jr.

The True Blue Club, of which Mrs. Della Thompson, Dean of Girls, is the sponsor, has its headquarters in Room 118. The four departments of the club are the Big Sister, which welcomes the incoming freshmen; the Booster which earns the money; the Publicity, in charge of notices; and the Nucrology department, which writes notes of sympathy to students and parents.

The officers of the club are Virginia Wheeler, president; Suzon Os'ler, head of the Booster Department with Margaret Ann Paul, Margaret Stump, Aloyse Bottenwiser and Doris Belzer as assistants; Kathryn Mable, head of the Big Sister Department with Madeline Trent as assistant. The Publicity Department consists of Harriet Jane Holmes, as its head, with Mary Lou Over and Anne Holmes as assistants. Julia Raymond is in charge of the Nucrology work.

True Blue Club

Senate

The distinction of the oldest club in Shortridge goes to the Senate. It was organized by Miss Donnan in 1887, and still continues. Mr. Sigler is the sponsor. This year, for the first time in many years, the Senate has succeeded in downing party spirit, and in working together toward a common goal of better impromptu speaking. Another outstanding achievement of the year was the complete revision of the Rules and Regulations of the body. In accordance with a long-established custom, the Senate held a trial and a banquet as crowning events of the year. At the banquet, the senators followed the ancient and accepted custom of electing officers to hold in restraint the turbulent model of our U. S. Senate during the coming year.

Jean Knowlton.

The Shortridge Fiction Club under the sponsorship of Miss Ruth Louise Armstrong enjoyed a most successful year. At the semi-annual guest meetings for "try outs", Mr. J. B. Vandaworker of the Indianapolis News spoke on "Aspects in a Short Story", and Mrs. Kathryn Turney Garten, book reviewer, gave "An Appreciation of Katherine Mansfield". The annual New Year's Reception was held at the home of Madeline Trent. Nine selections were written by members for the Christmas Echo. About eighty volumes of books from the Clubs' Circulating Library were donated to the Charity Dye Memorial Library. The club membership contest plan was revised; a reading committee from the club chose the best stories, and the final membership decision was made by a committee of English teachers.

Officers were: presidents, Henry Fauvre and Jimmie Joe Mullane; vice-presidents, Marynette Hiatt and Bonnie Jean McKechnie; treasurers, Bill Tidwell and Hilton Atherton; secretaries, Jean VanRiper, Mary Lou Over, and Elizabeth Henderson.

Social Committee

Under Miss Mary Pratt's sponsorship, the members of the Social Committee have conducted several successful all-school parties this year. The first of these, the Fall Ball, on October 18, was a great success in every way. An added feature of the next social event was the Uglyman's contest. Jack Berns, prominent basketball star, proved to be the most popular boy in school, and won for himself the title of Uglyman and a three-dollar certificate for Strauss'. Arthur Crane and John Westfall were second and third respectively. A belated George Washington celebration, The Hatchet Hop, on February 23, was enjoyed by all who chose to spend their dimes for tickets. At the Blue Belle Hop on April 20, the students voted that Virginia (Toots) Miles should have the title of the Shortridge Blue Belle for 1934. Betty Quigley and Mary Roland were second and third in this contest for the most popular girl in school. The Social Committee also cooperated with the Parent Teachers Association in sponsoring the November Round-Up, given for the benefit of the Student Aid Fund.

A drive for old books which were sent to a library in Pineville, Kentucky, and to the American Settlement, of Indianapolis, was conducted in December. When it was required of every student to memorize the Star-Spangled Banner, the Social Committee presented to the entire student body attractive copies of our national anthem. The committee has also presented the school with a handsome Shortridge banner.

The officers for the fall semester were: Harry Drago, president; Arthur Crane, vice-president; Margaret Lee Riddell, secretary; and Allan Solomon, treasurer. In the spring the committee elected Richard Savidge, vice-president, and Marjorie Pendleton, secretary. Arthur Zinkin is Publicity Chairman of the Social Committee. Members who appear in the picture are: First row—Emma Gene Tucker, Peggy Chapin, Dorothy Braden, Marynette Hiatt, Jane Wynne, Martha Moore, Mary Wynne, Dot Barlow, and Jean Van Voorhees. Second row—Miss Pratt, Bob Hessel-denz, Marjorie Pendleton, Ruth Luckey, Jane Brown, Anne Elliott, Catherine Cauble, Jane Garland, and Dorothy Brooks. Third row—Malcolm Strauss, Tom Garland, Bob Axtell, Martha Norman, Evelyn DeWees, Peggy Paul, Louis Silver, Helen Stephens, and Bonnie Jean McKechnie. Fourth row—Bill Koehne, Dick Savidge, Paul Krauss, Stuart Williams, Bill Brewer, Foster Clippinger, Ned Hamer, and Jean Miller. Fifth row—Charles Huston, Allen Solomon, John Westfall, Margaret Lee Riddell, Art Crane, Harry Drago, and Arthur Zinkin.

Senior Drama League

The Shortridge Senior Drama League is composed of students in or above English Five. Under the sponsorship of Miss Eleanor Dee Theek of the English department, the league has had a most successful year.

Hale McKeen, director of the Civic Theatre, and Miss Mary Beatrice Whitemen spoke during the year. The Drama League was instructed in the use of make-up by Miss Katherine O'Neil, a representative of Max Factor's Hollywood Make-up.

At the first meeting of the year an all-boy's play, "The Gentle Jury" was given. Other plays given for the regular meetings were "The Sisterly Scheme", "Henry, Where Are You?", and "Wee Willie Winkle".

"The Path Across the Hill" and "The Red-Headed Step-Child" were presented to the student body with a small admittance charge. The latter play was coached by Esther Steup, a graduate student. Shortridge had the honor of presenting a play for the Speech Department of the State Teachers Association at their annual meeting. The play was "Juliet and Romeo". "The McMurray Chin", presented before a Parent-Teachers meeting, was the best work of the year due to the untiring efforts of the director, Miss Eleanor Dee Theek. "Jimmy Be Careful", coached by Marion Speery, a graduate, was presented before the various extra-curricular clubs of the school.

Officers for the year were Eleanor Firth, president; Richard Steup and Ralph Bryant, vice-presidents; Dorothy Martenet and Judith Jones, secretaries; and Frank Streightoff and Jack Messick, treasurers.

Eleanor Firth.

Junior Drama League

The Junior Drama League, the youngest organization of Shortridge extra-curricular activities, was organized at the beginning of the second semester. Due to increasing interest in Dramatic Art among the Junior High School students, it was found necessary for them to have their own Drama League. A plan was worked out to include students through

English IV in this organization.

Miss Eleanor Dee Theek, the sponsor of the regular Drama League, is also sponsor of the newer group. This group is to have its own plays which will be given for their own meetings and the Freshman auditoriums.

The officers for the spring term were Virginia Davis, president; Larry Knowlton, vice-president; Virginia House, secretary; and Paul Tarrington, treasurer.

Virginia House.

THE STAMP CLUB

The Shortridge Stamp Club, under the sponsorship of Mr. C. C. Shoemaker, meets every Thursday at conference in room 322. The purpose of the Stamp Club is to afford a convenient meeting place for all collectors in the school, where they may exchange and sell stamps. Some collectors specialize in United States stamps, or air mail issues; some have fascinating collections of errors, or still others have stamps that depict birds and animals. Several meetings during the year a speaker is brought to the Stamp Club to discuss different subjects of interest pertaining to stamps. Any person interested in stamps may join the club; there are no dues. The club officers are Fred Day, president; and Walter Troeger, vice-president.

Fred Day.

MODEL CLUB

The object of the Shortridge Model Club is to acquaint its members with the modern development of aviation and other similar lines of training. The members of the club have constructed many models of ships, cars, airplanes and other interesting objects. Throughout the semester contests have been held in which the model airplane builders compete. Several lectures by outside speakers were given as well as a parachute demonstration.

Poetry Club

The Shortridge High School Poetry Club has enjoyed many profitable as well as interesting meetings this past year. The purpose of the club is to study the works and lives of past and modern poets, and the various types of poetry. A chairman whose duty is to be in charge of one discussion is appointed by the president at the previous meeting. Membership is open to the entire body of Shortridge. Any Shortridge student who is interested in poetry may join the club. The officers, who were elected in the fall for the year, were: Janet Meditch, president; Rosalind Barrows, vice-president; and Elizabeth Myers, secretary. Much of the success of the Poetry Club is due to the sponsor, Miss Florence Fritts of the English department.

Since the first of the year the Radio Club has made much progress toward its ideals and goals. Much of the credit is due to the active-ness of Dick Clay and Dave Thompson.

The club meetings have been given over to code practice and talks on obtaining amateur licenses in order to help the members to pass the examination to own and operate an amateur station. A station has been constructed at school and many stations in the surrounding states have been contacted, even though the transmitter is of low power. At the present time, there are only two licenses amateurs in school, W9JRO, Dick Clay, and W9JIP, Dave Thompson.

The officers of the club are Dave Thompson, president; Millard Gannon, vice-president; and Harry Tirsway, secretary.

Officers' Club

The Shortridge Officers' Club is an organization for the older and more experienced R. O. T. C. students. This group is sponsored by Sergeant Melton Rhine, a well qualified U. S. A. instructor. The purpose of the club is to train the older boys more thoroughly on the everyday subjects of military training, to teach advanced subjects to the more experienced boys, and to help develop leadership ability.

The fall semester had Cadet Major Billy Boyle presiding over the club with Cadet Captain Jim Bob Herdrich and Cadet Captain Millard Gannon as vice-president and secretary respectively. After new commissioned officers were appointed in January, the club changed its presiding officers. Cadet Major James Harris was elected president, and Cadet Captain McAbee was elected secretary.

Every other Friday morning at 7:30 o'clock begins a meeting of the Officers' Club. This group has been in session for many years and has been quite an asset to the military training department. Each year the club presents two medals, one to the best drilled private, another to the best all 'round non-commissioned officer.

Journalism

Shortridge is outstanding in its journalistic activities, in that it edits and publishes a four-page daily newspaper, another weekly of the same size, a magazine at Christmas time, and the Annual. Those participating in these activities, or in other ways interested in journalism, are qualified for membership in the Press Club, sponsored by Miss Thomas. Several prominent newspaper men and women, such as Talcott Powell, W. F. Fox, F. E. Raschig, Bloor Schleppey, and Marie George, have been guest speakers at the monthly meetings. The picture of this club is at the top of the page.

The editors of the various Echo staffs, combined in a club known as the Editorial Board, meet with Miss Thomas every Tuesday afternoon. The picture of this group heads the column of pictures at the left of the page. Below it, in the proper order, are the pictures of the five different Echo staffs, with Monday's group just below the picture of the Editorial Board, and with the picture of Friday's staff at the bottom of the page.

The newest of the Shortridge publications is "Printer's Pi". Under the direction of the new printing instructor, Mr. H. F. Irby, the two printing classes successfully carried through the task of writing, editing, and publishing a weekly paper. A picture of the staff of "Printer's Pi" is shown at the bottom of the page.

Art Appreciation Club

The Art Appreciation Club was founded in 1916 by the present sponsor, Mrs. Janet P. Bowles. The purpose of the group, as stated in the constitution, is to "know and feel the eternal principles that are in art, and to study the mastership of the ages". This club meets every Monday, and, after a short business meeting, goes as a group to the John Herron Art Institute, where the main objective is the actual emotional enjoyment of the beauty of art. On April 14, club members attended the Indiana Federation of Art Clubs at the Art Institute. Officers for both fall and spring semesters were: Virginia Carson, president, and Mary Jeanette Seller, secretary.

Virginia Carson.

This is the close of another successful year for the new Shortridge Sketch Club under the capable sponsorship of Miss Marie Todd who organized the group for the purpose of guiding and instructing the members toward art culture and enjoyment. All Shortridge students who even desire to make art an avocation are welcomed into the club to learn more about sketching. Several mediums are used at various meetings such as pencil, colored crayons, water colors, or pastel.

Both current exhibits and different fine examples from the permanent exhibitions at the John Herron Art Institute are chosen for sketching. At times a member of the club poses for the others to draw. Officers of the club this semester are as follows: president, Ann Beck; vice-president, Jean Milholland; secretary, Dorothy Schilling; and treasurer, Carolyn Varin.
